Following the 15th edition of the European Football League in 2024, the Spanish Football Federation is preparing to host the 16th edition which will take place in Jaca, Aragón, from 4 to 8 March 2026.

Under the leadership of Jorge Azcón, president of the Autonomous Community of Aragón; Cristina García, General Director of Sports; Carlos Serrano, Mayor of Jaca; y Fernando Fabra, President of the Aragonese Association of Workplace Sports and Business, we said we could tell with the full commitment of our teams for their welcome to be received. It's all possible to offer Invierno Games that balance to the perfection of sports, tourism, culture and tourism.

Jaca promises an unforgettable 16th edition, driven by the vitality of its region, its cultural heritage and its exceptional natural environment. Here you have the opportunity to discover 15 trails and enjoy more than 100 kilometers of trails in the resorts of Astún and Candanchú.

We hope to see you all together to enjoy a warm, festive and sporty experience in full winter. See you on the slopes soon!

Didier Besseyre
President of the European Federation for Company Sports

Dear athletes, companions, and friends from all over Europe,

It is a great honor for the city of Jaca to host the European Company Sport Winter Games in 2026. We feel privileged to be the hosts of this extraordinary event that brings together so many professionals from the working sector, united by the spirit of sportsmanship, camaraderie, and a passion for physical activity. Jaca, known as the pearl of the Aragonese Pyrenees, is proud to welcome representatives from across the continent in an unparalleled setting of natural beauty, history, culture, heritage, and hospitality.

Our privileged natural surroundings, top-level sports facilities, and the commitment of our community—accustomed to hosting major events such as the Winter Universiades of 1981 and 1995, the European Youth Olympic Festival in 2007, as well as world championships in figure skating and ice hockey—ensure that the Winter Games will be an unforgettable experience.

Beyond the competition, we invite you to discover our rich cultural heritage, represented by the majestic 11th-century Cathedral of San Pedro, the emblematic Citadel of Jaca, and our outstanding gastronomy. Every corner of our city offers something special, and we are sure that you will take home unique memories.

I want to express my sincere gratitude to the organizers, volunteers, and collaborators who are working tirelessly to make this event a reality. Without their dedication and effort, this gathering would not be possible.

These days will be an opportunity to strengthen ties, promote cooperation, and, above all, enjoy sports and nature. May the spirit of camaraderie, respect, and excellence that defines the European Company Sport Winter Games shine here in Jaca.

I wish you great success, both in sports and personally. We will be delighted to welcome you, as Jaca greets you with open arms.

Best regards,

Carlos Serrano
Mayor of Jaca

From the Government of Aragón, we are proud and excited to welcome all participants, spectators, and collaborators of the European Company Sport Winter Games.

This event not only represents a unique opportunity for athletes from all over Europe to gather in our region but also allows us to showcase to the world the beauty, natural wealth, and spirit of our community. Jaca, a cradle of snow and winter sports, will be the perfect setting to experience high-level competition and enjoy the hospitality of all Aragonese people.

The European Company Sport Winter Games will be a fantastic platform to strengthen tourism, boost the local economy, and increase the international profile of Aragón. Beyond competition, it will be a celebration of effort, resilience, and the values that make sports great. We are proud to be part of this major event that combines sports and nature—a perfect combination that will allow all visitors to compete in unparalleled surroundings while also enjoying our cuisine and cultural heritage.

We feel privileged to host this historic event and are sure that Jaca 2026 will be a memorable occasion for everyone involved.

Welcome to Aragón!

Cristina García
General Director of Sports in Aragón

From here, I'd like to take this opportunity to thank the President, the European Secretary, and the Executive Committee for awarding us the Jaca 2026 European Winter Games.

We have set out and are trying to do our best. We have the support of institutions as well as private investment to mark the beginning of a new Winter Games.

To achieve this, we need the support of all the member countries that are part of the European Workplace Sports Association and for all countries to be present at these Games, where not only winter sports will be the focus, but also all the recreational activities we will be carrying out.

I would also like to express my deep gratitude for the efforts of the Jaca City Council in making this event possible.

We look forward to seeing you from March 4th to 8th in Jaca, the capital of the Aragonese Pyrenees.

Fernando Fabra
President of the Aragonese Association of Workplace Sports and Business
